## EXECUTIVE DIRECTOR'S MESSAGE

Thank you for reading the 2019 edition of the Florida Veterans' Benefits Guide.

Helping to connect the Sunshine State's more than 1.5 million veterans and their families with earned services, benefits and support are the more than 1,100 men and women of the Florida Department of Veterans' Affairs. They play a major role in the direct infusion of more than \$18.4 billion annually for veterans into Florida's economy through federal compensation, education and pension benefits, U.S. Department of Veterans Affairs' medical services and military retired pay.

Florida offers unique benefits such as in-state tuition rates for veterans and their families using the Post-9/11 GI Bill®, several layers of property tax exemptions, expanded veterans' preference, and extensive benefits, licensure and fee waivers for many activities and occupations. We also offer high quality care at our network of seven state veterans' homes, with two additional homes in development in Port St. Lucie and Orlando.

Your state veterans' agency is also partnering with the U.S. Department of Veterans Affairs on veteran suicide prevention, expanding veteran access opportunities for adult day health care and connecting aging veterans with earned benefits to increase their quality of life.

A consolidated list of earned benefits and services available to veterans, including online access to the Florida Veterans' Benefits Guide, is available at our agency's website at **FloridaVets.org**. You can also connect with us on social media via Facebook at **www.facebook.com/floridaveterans** and LinkedIn at **www.linkedin.com/company/fdva**. We also have a free mobile application offered in the Android and Apple markets. Give us a try.

As an Army Reserve Captain and former state legislator, I am honored to have the opportunity to serve those who served us. Together, we will work to ensure Florida continues to lead the charge as the most veteran-friendly state in the nation.

Danny Burgess  
Executive Director  
Florida Department of Veterans' Affairs

# GOVERNOR'S MESSAGE

As your Governor and a proud veteran of the U.S. Navy, I am committed to ensuring Florida is the most veteran-friendly state in our nation. With a variety of benefits, programs and a dedicated team at the Florida Department of Veterans' Affairs, our state will always work to serve those who have served their country. They deserve no less.

The brave men and women of our armed forces have voluntarily made tremendous sacrifices to protect the freedoms we enjoy here at home. As Floridians and Americans, we are blessed knowing that we are safe and secure because of their sacrifices.

We also owe a debt of gratitude to all military families. We are honored that so many of you call Florida home. They also deserve nothing less than our full support. We will not let you down.

On behalf of all Floridians, please accept our sincerest gratitude and deepest appreciation for your service and example of true patriotism.

Ron DeSantis  
Governor  
State of Florida

## THE FLORIDA VETERANS' HALL OF FAME

The Florida Veterans' Hall of Fame Council accepts nominations annually for induction into the Florida Veterans' Hall of Fame. Those nominating a veteran will need to complete a nomination packet that can be downloaded from [www.FloridaVeteransHallofFame.org](http://www.FloridaVeteransHallofFame.org). The Hall recognizes military veterans who, through their works and lives during or after military service, have made a significant contribution to the state of Florida through civic, business, public service or other pursuits.

## FLORIDA VETERANS FOUNDATION

The Florida Veterans Foundation is the Direct Support Organization to the Florida Department of Veterans' Affairs. The nonprofit Foundation, now in its 11th year, operates for the benefit of the Department, Florida's more than 1.5 million veterans, and veteran service organizations. The Foundation operates for charitable and educational purposes under Section 501(c) (3), and works closely with the 67 County Veteran Service Offices, which are "frontline" for Florida veterans. The Foundation seeks out the greatest unmet needs of Florida veterans and works proactively and collaboratively with State Veteran Service Organizations to solve issues that impede their progress, such as employment, housing, transportation and benefits assistance. The Department and Foundation are currently pursuing two distinct initiatives that will greatly benefit Florida's veteran population: veteran suicide prevention and an elderly veterans' outreach effort to connect veterans with earned VA monetary benefits.

### Florida Veterans Crisis Line

One prominent initiative to help veterans in crisis is the creation of a simple one-button push of the "Get Help Now" Mobile App that connects a veteran with a peer-to-peer contact with the Crisis Centers throughout Florida. If you are in crisis, call the 24-Hour Florida Veterans Support Line 1-844-MYFLVET (693-5838) or 2-1-1.

Opioid Addiction is a disease and can be treated. Please contact CleanSlate Outpatient Addiction Medicine at [www.cleanslatecenters.com](http://www.cleanslatecenters.com) or call 833-505-4673 (HOPE).

### Connecting Veterans with Benefits

Many Florida veterans and their families are also unaware of earned VA benefits available such as VA Pension with Aid and Attendance, which helps support their financial and medical needs and enhance their quality of life. Our efforts to find aging veterans is anticipated to provide additional earned benefits totaling \$3 billion. Both the National Association of Veterans and Families (800-352-2919) and American Patriot Services Corporation (888-726-1772) have realized 1,500 claims for approximately \$200 million in benefits in the past year. Currently both entities are realizing \$10 million a month in benefits to aging veterans in Florida.

We are also teaming with Project Vet Relief to provide emergency financial assistance to Florida veterans. Please visit [www.helpflvets.org](http://www.helpflvets.org) to make a donation in support of our program.

Thanks for helping us fulfill our mission to leave no Florida veteran behind.

Mike Mason, USA (Ret.)  
Chairman, Florida Veterans Foundation, Inc.

## OUR VISION

FDVA is the premier point of entry for Florida veterans to access earned services, benefits and support.

## OUR MISSION

To advocate with purpose and passion for Florida veterans and link them to superior services, benefits and support. The Florida Department of Veterans' Affairs was founded on July 1, 1989, following the passing of a Constitutional Amendment in 1988 by Florida voters establishing a state agency responsible for advocating for Florida's veterans, their families and survivors. FDVA is a Cabinet Agency, reporting to the governor and Cabinet officers, with an appointed executive director as agency head. FDVA has primary offices in Largo, with staff offices in Bay Pines and Tallahassee.

### Free Benefits & Disability Claims Counseling

The Florida Department of Veterans' Affairs has Claims Examiners co-located with the VA Regional Office in Bay Pines, each VA Medical Center and many VA Outpatient Clinics. Assistance with claims is free and covers all state and federal veterans' programs. FDVA, through its Bureau of State Approving Agency, also evaluates and approves secondary and post-secondary education programs so Floridians can take advantage of federal veterans' educational programs such as the Post-9/11 GI Bill®. For more information or for assistance, call (727) 319-7440 or visit **FloridaVets.org**. Most federal, state and local veterans' benefits require proof of military service through an official discharge document, often called a DD-214 or one of its predecessors. You may request a free copy of your military service record through the National Archives at **www.archives.gov/veterans**.

### County Veteran Service Offices

Information on current federal, state and local veterans' programs, entitlements and referral services is also available in Florida through a network of County Veteran Service Offices. Counselors are trained and accredited annually by the Florida Department of Veterans' Affairs. All services are provided free of charge. A list of offices can be found online at **FloridaVets.org/benefits-services**.

### State Women Veterans' Coordinator

The Sunshine State is home to approximately 155,000 women veterans. Many women veterans don't know they are eligible for the full range of federal and state benefits. To help connect women veterans with earned benefits and services, FDVA hosts an annual state women veterans' conference. A Woman Veteran license plate is also available for purchase. For more information on women veterans' issues, call (727) 319-7440 or visit **FloridaVets.org/our-veterans/women-veterans**.

## FLORIDA STATE VETERANS' HOMES

The Florida Department of Veterans' Affairs operates six skilled nursing facilities and one assisted living facility. Two additional skilled nursing facilities are under development. All facilities are licensed by Florida's Agency for Health Care Administration and inspected annually by AHCA and the U.S. Department of Veterans Affairs. The homes are supervised round the clock by registered and licensed nurses. Under the IRS tax code, monetary donations to specific state veterans' homes are tax deductible. Per Florida Statutes, all such donations are to be used for the benefit of the home and its residents. You may also support the State Homes for Veterans Trust Fund by making a \$1 contribution when renewing your Driver License. Let the clerk know you're a veteran.

### Employment

Our State Veterans' Homes enjoy Five Star and Gold Seal ratings for the care they provide. You can come to work each day knowing you will be using state-of-the-art technology and equipment to provide your residents with the best care possible. The Homes have a new training and employment opportunity that will allow you to receive your Certified Nursing Assistant certification with continual employment after training is completed. A portion of the surcharge from the U.S. Marine Corps and “Support Our Troops” license plates also supports the State Veterans’ Homes Program.

## VETERANS' BENEFITS: HEALTH CARE

### Medical Care

To the extent resources and facilities are available, the VA provides hospital care covering the full range of medical services to veterans. Eligible veterans may receive medical treatment at any VA Medical Center or Clinic in Florida.

### Free Health Care for Recent Combat Vets

Combat veterans who were discharged or released from active service on or after Jan. 28, 2003, are eligible to enroll in the VA health care system for five years from the date of discharge or release. The enrollment period begins on the discharge or separation date of the service member from active duty service, or in the case of multiple call-ups, the most recent discharge date. Veterans, including activated Reservists and National Guard members, are eligible if they served on active duty in a theater of combat operations after Nov. 11, 1998, and have been discharged under other than dishonorable conditions.

### One-time Dental Treatment

Following separation or retirement from service, veterans have 180 days to receive one-time separation dental care from the VA, if the certificate of discharge does not certify that the veteran was provided a complete dental examination and treatment prior to discharge. (38 CFR 17.161)

### VA Offers Dental Insurance Program

VA partnered with Delta Dental and MetLife to allow eligible veterans, plus family members receiving care under the Civilian Health and Medical Program (CHAMPVA), to purchase affordable dental insurance. There are no eligibility limitations based on a service-connected disability rating or enrollment priority assignment. For more information, visit Delta Dental at [www.deltadentalvadip.org](http://www.deltadentalvadip.org) or MetLife at [www.metlife.com/vadip](http://www.metlife.com/vadip).

### VA Mission Act

The bill establishes the Veterans Community Care Program to furnish hospital care, medical services and extended care services through certain non-VA providers to veterans who are enrolled in the VA health care system or otherwise entitled to VA care. The Mission Act builds off previous law, the Veterans Access, Choice and Accountability (Choice) Act, which Congress passed in 2014. For more information, visit [www.congress.gov/115/bills/s2372/BILLS-115s2372enr.pdf](http://www.congress.gov/115/bills/s2372/BILLS-115s2372enr.pdf)

awarded a State of Florida High School Diploma. Visit [fldoe.org/academics/career-adult-edu/veterans-diplomas.shtml](http://fldoe.org/academics/career-adult-edu/veterans-diplomas.shtml) or call (850) 245-0446 for more information.

### **Post-9/11 GI Bill®**

Provides financial assistance for 15 years after leaving service to individuals who served on active duty a minimum of 90 days after Sept. 10, 2001. Veterans (and their dependents under the Marine Gunnery Sergeant John David Fry Scholarship program) who transitioned out of the military after Jan. 1, 2013, will not be limited to the 15-year deadline to use their GI Bill® benefits. Public Law 111-32, the Marine Gunnery Sergeant John David Fry Scholarship, amends the Post-9/11 GI Bill® to include the children of service members who died in the line of duty after Sept. 10, 2001 and Section 701 of The Choice Act expands it to include surviving spouses. For more information, to include Transfer of Entitlement of this benefit to dependents as well as the Yellow Ribbon Program, call toll free (888) 442-4551 or visit the VA website at [www.benefits.va.gov/gibill](http://www.benefits.va.gov/gibill).

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs.

## **VETERANS' BENEFITS: PENSION**

### **Aid & Attendance / Dependency & Indemnity Compensation**

Pension is a needs-based benefit paid to wartime veterans who meet certain age or non-service connected disability requirements. Aid and Attendance is an increased monthly pension amount paid to a veteran or surviving spouse. You may be eligible if you require the aid of another person in order to perform activities of daily living, such as bathing, feeding, dressing, toileting or adjusting prosthetic devices.

Dependency and Indemnity Compensation is a tax-free monetary benefit paid to eligible survivors of military service members who died in the line of duty or eligible survivors of veterans whose death resulted from a service-related injury or disease. A death certificate indicating the cause of death was service-connected is evidence needed by survivors when applying for the DIC benefit. However, the service-connected condition does not have to be the immediate cause of death; it need only be a "significant contributor" to the veteran's death. Veterans and their spouses should provide copies of the veteran's VA Disability Rating Letter to their non-VA physicians. Physicians should add the letter to the veteran's medical record.

For eligibility requirements, contact an FDVA Veterans' Claims Examiner or County Veteran Service Officer. You may also visit [benefits.va.gov/benefits/factsheets.asp](http://benefits.va.gov/benefits/factsheets.asp) or call toll free (800) 827-1000.

Note: Both Social Security and VA pay disability benefits. However, their programs, processes and criteria for receiving benefits are very different. Visit [www.socialsecurity.gov/people/veterans](http://www.socialsecurity.gov/people/veterans) or call toll free (800) 772-1213 for more information.

## VETERANS' BENEFITS: HOME LOANS & PROPERTY TAXES

### G.I. Home Loan Guarantee and Adaptive Housing Grants

The VA may guarantee part of your loan for the purchase of a home, manufactured home, or condominium. In addition, veterans with conventional home loans now have options for refinancing to a VA guaranteed home loan as a result of the Veterans' Benefits Improvement Act of 2008. The VA also provides grants to veterans with certain permanent and total service-connected disabilities to help purchase or construct an adapted home, or modify an existing home to accommodate a disability. For information, call (877) 827-3702 or visit [www.benefits.va.gov/homeloans](http://www.benefits.va.gov/homeloans).

### Basic Property Tax Exemptions

Eligible resident veterans with a VA certified service-connected disability of 10 percent or greater shall be entitled to a \$5,000 deduction on the assessment of their home for tax exemption purposes. The veteran must establish this exemption with the county tax official in the county in which he or she resides by providing documentation of this disability. The unmarried surviving spouse of a disabled ex-service member, who on the date of the disabled ex-service member's death had been married to the ex-service member for at least five years, is also entitled to this exemption. (FS 196.24)

### Additional Property Tax Exemptions

Any real estate owned and used as a homestead by a veteran, who was honorably discharged and has been certified as having a service-connected, permanent and total disability, is exempt from taxation if the veteran is a permanent resident of Florida and has legal title to the property on Jan. 1 of the tax year for which exemption is being claimed. (FS 196.081(1))

Any real estate owned and used as a homestead by the surviving spouse of an Armed Forces member who died from service-connected causes while on active duty is exempt from taxation if the member was a permanent resident of Florida on Jan. 1 of the year in which the member died. (FS 196.081(4)(a))

If, upon the death of the veteran, the spouse holds the legal or beneficial title to the homestead and permanently resides there, the exemption from taxation carries over to the benefit of the veteran's spouse until such time as he or she remarries, sells, or otherwise disposes of the property. If the spouse sells the property, an exemption not to exceed the amount granted from the most recent ad valorem tax roll may be transferred to the new residence as long as it is used as the primary residence and the spouse does not remarry. (FS 196.081(3))

Any partially disabled veteran who is age 65 or older, any portion of whose disability was combat-related, and who was honorably discharged, may be eligible for a discount from the amount of ad valorem tax on the homestead commensurate with the percentage of the veteran's permanent service-connected disability. Eligible veterans should apply for this benefit at the county property appraiser's office. (FS 196.082)

Any real estate used and owned as a homestead by any quadriplegic is exempt from taxation. Veterans who are paraplegic, hemiplegic, or permanently and totally disabled who must use a wheelchair for mobility, or are legally blind, may be exempt from real estate taxation. Check with your local property appraiser to determine if gross annual household income qualifies. The veteran must be a resident of Florida. (FS 196.101)

Service members entitled to homestead exemption in this state, and who are unable to file in person by reason of such service, may file through next of kin or a duly authorized representative. (FS 196.071)

## VETERANS' BENEFIT: INSURANCE

Veterans' Group Life Insurance (VGLI) is a program that allows you to continue life insurance coverage after you separate from service. A veteran with a new service-connected disability, but otherwise in good health, may apply to the VA for up to \$10,000 in life insurance coverage at standard rates. Veterans who receive a new rating of zero percent or greater are eligible for the coverage. The application must be made within two years from the date of being notified of a new service-connected status. The veteran must have received an other than dishonorable discharge and released from active duty after April 25, 1951. Call toll free (800) 669-8477 or visit [www.benefits.va.gov/insurance/s-dvi.asp](http://www.benefits.va.gov/insurance/s-dvi.asp).

## VETERANS' BENEFITS: BURIAL & FAMILY SUPPORT

The U.S. Department of Veterans Affairs provides honorably discharged veterans, spouses and dependents with burial in a national cemetery at no cost. Cremated remains are also accepted. Eligible spouses and dependents may be buried if they predecease the veteran. The VA provides eligibility determinations for interment in a national cemetery prior to the time of need. Through the Pre-Need Determination of Eligibility Program, upon request, individuals can learn if they are eligible for burial or memorialization in a national cemetery. To make burial arrangements at any open VA national cemetery at the time of need, call the National Cemetery Scheduling Office toll free at (800) 535-1117. The VA provides the gravesite, grave liner, opening and closing of the grave, government headstone or marker, U.S. burial flag, Presidential Memorial Certificate and perpetual care of the gravesite at no cost to the family. ## **VETERANS' BENEFITS: MOTOR VEHICLE, LICENSING & FEE EXEMPTIONS**

### **Veteran Designation on Driver License**

Florida veterans can add a veteran designation to their driver license or ID card by visiting any Florida driver license office, to include those operated by county tax collectors. Requirements: 1) present a discharge document which shows an honorable discharge from active duty; 2) visit [www.flhsmv.gov/driver-licenses-id-cards/what-to-bring](http://www.flhsmv.gov/driver-licenses-id-cards/what-to-bring) to ensure you have all other documents. Veterans who need to obtain a copy of their DD-214 may request it online at [www.archives.gov/veterans](http://www.archives.gov/veterans). While renewing or replacing a driver license or ID card, veterans may also voluntarily request information on veterans' benefits be forwarded to them.

### **100% Disabled Veteran State ID Card**

A disabled veteran ID card may be issued by the Florida Department of Veterans' Affairs to any veteran who is a permanent resident of the state and is determined by the VA or Department of Defense to have a 100% service-connected, permanent and total disability rating. (FS 295.17) The card may be used as proof of eligibility for any state benefit except exemption of homestead property taxes. For application information, call (727) 319-7440.

### **Driver License & State ID Fee Exemptions**

Any honorably discharged veteran who has a valid FDVA 100% disabled veteran ID card or who has been determined to have a 100% total and permanent service-connected disability and is qualified to obtain a driver license is generally exempt from all fees. However, a fee may be applied to drivers seeking to reinstate a license. (FS 322.21(7))

The Florida Department of Highway Safety and Motor Vehicles or a county tax collector may issue or renew a state ID card to a person who presents evidence that he or she is homeless without payment of fees. A nominal fee may apply in offices operated by county tax collectors. Homeless veterans may prove their status with a letter from the U.S. Department of Veterans Affairs that establishes eligibility in the U.S. Department of Housing and Urban Development-VA Supportive Housing Program, known as HUD-VASH.

## Parking for Disabled Veterans

Parking spaces for persons with disabilities are for the exclusive use of individuals who have permanent or temporary impairments. (F.S. 553.5041(3)). Disabled veterans who have been issued a “DV” plate may only park in designated handicapped parking spaces if they also have a mobility impairment. Disabled veterans with a mobility impairment may apply for the disabled parking plate with the wheelchair emblem to avoid possible fines and penalties. No state agency, county, municipality or agency thereof may charge the driver of a vehicle displaying a “DV” license plate any fee for parking on public streets, highways or in any metered parking space. There are exemptions to this benefit, which may be found in Florida Statute 316.1964. Recently passed legislation also prohibits the governing body of each publicly owned or publicly operated airport from charging parking fees to vehicles displaying certain disabled veteran license plates.

## Handicapped Toll Permit

Licensed drivers who operate a vehicle specially equipped for the handicapped, and are certified by a licensed physician or the VA as having permanent upper limb impairments/disabilities substantially affecting their ability to deposit coins in toll baskets, shall pass free through all toll gates. A window sticker from the Florida Department of Transportation must be obtained and displayed. (FS 338.155(3))

## Commission as a Notary Public

The state’s \$10 commission fee shall not be required for a commission as a Notary Public to a veteran with wartime service who has been rated 50 percent or more for a service-connected disability. Other fees will apply. [notaries.dos.state.fl.us/pdf/applpkg.pdf](http://notaries.dos.state.fl.us/pdf/applpkg.pdf) (FS 117.01(2))

The Department of Highway Safety and Motor Vehicles issues special use license plates for eligible military members and veterans. These special use license plates, honoring wartime service, awards and decorations, and status are issued after the applicant provides documents establishing proof of status, such as a DD-214, and upon payment of the license tax imposed by s. 329.08, F.S. License fees and taxes vary. Visit [www.flhsmv.gov/specialtytags/miltags.html](http://www.flhsmv.gov/specialtytags/miltags.html) for more information.

## Veterans' Preference in Florida

The state, and all political subdivisions of the state, shall give preference in employment, promotions after being deployed and retention. (FS 295.07, 295.11) Individuals who qualify for this preference are as follows:

A disabled veteran who has served on active duty in any branch of the U.S. Armed Forces, has received an honorable discharge, and has established the present existence of a service-connected disability that is compensable under public laws administered by the U.S. Department of Veterans Affairs; or who is receiving compensation, disability retirement benefits, or pension by reason of public laws administered by the VA and U.S. Department of Defense.

The spouse of a person who has a total disability, permanent in nature, resulting from a service-connected disability and who, because of this disability, cannot qualify for employment, and the spouse of a person missing in action, captured in line of duty by a hostile force, or forcibly detained or interned in line of duty by a foreign government or power.

A wartime veteran as defined in s. 1.01(14), who has served at least one day during a wartime period. Active duty for training may not be allowed for eligibility under this paragraph.

The unremarried widow or widower of a veteran who died of a service-connected disability.

The mother, father, legal guardian, or unremarried widow or widower of a member of the U.S. Armed Forces who died in the line of duty under combat-related conditions, as verified by the U.S. Department of Defense.

A veteran as defined in s. 1.01(14), F.S. Active duty for training may not be allowed for eligibility under this paragraph.

A current member of any reserve component of the U.S. Armed Forces or the Florida National Guard.

Veterans must have been honorably discharged as indicated on their DD214 to be eligible for preference. Eligible applicants who meet the requirements for the position are guaranteed preference at every step through-out the hiring process.

Public entity employers who advertise for qualifying positions must make the applicant aware that preference is available. The employer must also provide the applicant with information as to what can be done if the veteran believes he/she was denied preference for employment, promotion or retention.

An applicant who believes he or she was not afforded employment, promotion or retention preference may file a complaint with the FDVA. The complaint must be made within 60 days from the date a non-select notice was received. The FDVA can investigate and make a determination as to whether a violation has occurred. ### Certification of Discharge or Separation

You may request a copy of your military service record by visiting the National Archives online at [www.archives.gov/veterans](http://www.archives.gov/veterans).

At a veteran's request, the Clerk of the Circuit Court shall record, without cost, that portion of certificates indicating character of discharge, separation, or service in accordance with Section 28.222(3) (d), Florida Statutes. CAUTION: Once on file, documents become official court records and are open to the public. To remove a military discharge record from the official court record, submit your request to the Court Clerk's office.

A veteran may also request an exemption from inspection or copying of identification and location information in public records under Section 119.071(5)(k), Florida Statutes.

## Veterans Courts

Veterans returning from combat may suffer from posttraumatic stress or may have difficulty reintegrating into society. Due to alienation and lack of support, some veterans fall into drug and alcohol abuse or develop mental health issues. Thirty Veterans Courts in Florida have been established as of July 2018 to address these issues.

Section 394.47891, Florida Statutes, established the T. Patt Maney Veterans' Treatment Act, which authorizes a veterans' court with the purpose of addressing the substance abuse and mental health needs of veterans within the criminal justice system. Successful completion of Veterans Court has helped decrease the recidivism rates of its participants through the proper diagnosis and treatment of mental health issues and as a result of the supportive roles mentors play in the process. Recent legislation has expanded the pool of eligible veterans. ## Consumer Protection Guide

Florida's veterans deserve our support and admiration. They also deserve any and all benefits rightfully earned when they signed up to fight for our country. Without men and women willing to risk their lives for our freedom there would be no United States of America—and the world would be a much darker place.

I am forever grateful for the 1.5 million Florida veterans who answered the call of duty. The 2019 Florida Veterans' Benefits Guide is a comprehensive resource that veterans can use to identify the benefits they have earned. We will never be able to repay our service members for the sacrifices they made defending our freedom and protecting American interests around the world—but we can work to ensure Florida veterans know that we care, and important services are available.

The Florida Attorney General's Office publishes a Military Consumer Protection Resource Guide. To view the guide online, visit [www.myfloridalegal.com/MilCPGuide](http://www.myfloridalegal.com/MilCPGuide) or call (866) 9NO-SCAM for a printed copy.

Protecting active service members and veterans in Florida from consumer scams is a focus of my office. It is important that we do all we can for those who have done so much for us. I want to thank all of our veterans for their service and I hope this guide provides assistance to Florida's military heroes.
